Subject Index

A

AAFP
- AAFP, AAP and ACIP release new childhood immunization schedule (*med rep*), January, p. 395
- AAFP issues position paper on diagnostic obstetrics-gynecology ultrasonography by family physicians (*med rep*), June, p. 2749
- AAFP position paper: fluoridation of public water supplies (*med rep*), May 15, p. 2373
- AAFP recommends seven action steps for family physicians in the battle against tobacco (*med rep*), February 1, p. 776
- AAFP's role in public education about antibiotic resistance (*let*), May 15, p. 2283
- American Academy of Family Physicians releases a procedural skills paper on EGD by family physicians (*med rep*), March, p. 1429
- family physician workforce reform: AAFP recommendations (*med soc*), January, p. 65

abdomen
- abdominal trauma in the pregnant patient (*article*), March, p. 1269

acetaminophen
- management of acetaminophen toxicity (*article*), January, p. 185

achalasia
- gastrointestinal motility disorders (*article*), February 15, p. 895

acute otitis media
- acute otitis media: making an accurate diagnosis (*article*), March, p. 1200

adolescents
- adolescent chest pain (*article*), April, p. 1682
- adolescent idiopathic scoliosis: an update (*article*), May 15, p. 2327
- family physician's role in adolescent idiopathic scoliosis (*ed*), May 15, p. 2268

allergy
- critical look at ocular allergy drugs (*article*), June, p. 2637

alveolitis
- paper mill workers and chronic extrinsic allergic alveolitis (*let*), April, p. 1522

amenorrhea
- evaluation of amenorrhea (*article*), March, p. 1185

aminoglycosides
- aminoglycosides: once-daily dosing regimen (*ed*), April, p. 1512
- evolution of aminoglycoside therapy: a single daily dose (*article*), April, p. 1782

anemia
- macrocytic anemia (*article*), January, p. 155

angiotensin-II receptor antagonists
- angiotensin-II receptor antagonists: a new class of antihypertensive agents (*article*), February 1, p. 589

ankle
- practical methods of preventing ankle injuries (*article*), June, p. 2491

antibiotics
- AAFP's role in public education about antibiotic resistance (*let*), May 15, p. 2283
- renal and electrolyte complications associated with antibiotic therapy (*article*), January, p. 227

antidepressants
- low-dose antidepressant therapy for mild depression (*let*), April, p. 1536

antihypertensive agents
- angiotensin-II receptor antagonists: a new class of antihypertensive agents (*article*), February 1, p. 589
- where do the new agents fit in hypertension management? (*ed*), June, p. 2427

anxiety
- azapirones: an alternative to benzodiazepines for anxiety (*article*), May 15, p. 2349
- physicians' fears about treating anxiety disorders (*article*), April, p. 1521

arthritis
- American College of Rheumatology issues management guidelines for arthritis of the hip and knee (*med rep*), February 15, p. 985
- rational approach to the diagnosis of arthritis (*article*), March, p. 1295

atherosclerotic emboli
- chiropractic manipulation and atherosclerotic emboli to the eye (*let*), January, p. 88

auricular trauma
- initial management of auricular trauma (*article*), May 15, p. 2339

azapirones
- azapirones: an alternative to benzodiazepines for anxiety (*article*), May 15, p. 2349

B

back pain
- behavioral factors in the management of back pain (*article*), March, p. 1313
- practical approach to the patient with back pain (*article*), February 1, p. 670

behavior
- behavioral factors in the management of back pain (*article*), March, p. 1313
- behavioral management of patients with dementia (*let*), May 15, p. 2276
- childhood behavior problems (*article*), January, p. 257
- NIH releases statement on behavioral and relaxation approaches for chronic pain and insomnia (*med rep*), April, p. 1877

benign paroxysmal positional vertigo
- benign paroxysmal positional vertigo: the canalith repositioning procedure (*article*), June, p. 2613

benign prostatic hyperplasia
- management of BPH: educating patients about PSA (*let*), March, p. 1080

benzodiazepines
- azapirones: an alternative to benzodiazepines for anxiety (*article*), May 15, p. 2349

biliary cirrhosis
- recognizing primary biliary cirrhosis and primary sclerosing cholangitis (*article*), January, p. 195

blood pressure
- blood pressure readings in the elderly: seated or standing? (*let*), May 15, p. 2282

bowel
- the challenge of irritable bowel syndrome (*article*), March, p. 1229

bursitis
- lower extremity bursitis (*article*), May 15, p. 2317
- shoulder pain: the role of diagnostic injections (*article*), April, p. 1637

C

canalith repositioning procedure
- benign paroxysmal positional vertigo: the canalith repositioning procedure (*article*), June, p. 2613

cancer
- American Urological Association releases guidelines for the management of localized prostate cancer (*med rep*), June, p. 2751
- current management of breast cancer (*article*), February 1, p. 657

caries
tobacco use and dental caries (*let*), April, p. 1536
cat-scratch disease
etiology of cat-scratch disease (*let*), May 1, p. 1994
cesarean section
ACOG releases practice guidelines on vaginal delivery after previous cesarean birth (*med rep*), February 1, p. 775
cost of vaginal delivery vs. repeat cesarean section (*let*), May 15, p. 2284
chemical dependency
chemically dependent patients in recovery: roles for the family physician (*article*), April, p. 1667
chest pain
adolescent chest pain (*article*), April, p. 1682
chickenpox
varicella vaccine: rationale and indications for use (*article*), February 1, p. 647
children
AAFP, AAP and ACIP release new childhood immunization schedule (*med rep*), January, p. 395
breaking the barriers to childhood immunization (*article*), April, p. 1648
childhood behavior problems (*article*), January, p. 257
common elbow fractures in children (*article*), May 1, p. 2031
elevated cholesterol levels and healthy lifestyles in childhood (*let*), March, p. 1082
evaluating the child with chronic diarrhea (*article*), February 1, p. 635
identification and assessment of the slowly growing child (*article*), May 15, p. 2305
January-June 1996 childhood immunization schedule (*ed*), January, p. 53
minimizing prescribing errors in infants and children (*article*), March, p. 1319
tuberculous infection and disease in children (*article*), May 1, p. 2087
chiropracty
chiropractic manipulation and atherosclerotic emboli to the eye (*let*), January, p. 88
cholangitis
recognizing primary biliary cirrhosis and primary sclerosing cholangitis (*article*), January, p. 195
cholesterol
elevated cholesterol levels and healthy lifestyles in childhood (*let*), March, p. 1082
chronic pain
NIH releases statement on behavioral and relaxation approaches for chronic pain and insomnia (*med rep*), April, p. 1877
circumcision
techniques for performing neonatal circumcision (*let*), January, p. 92
traditional Jewish circumcision technique of Bris (*let*), March, p. 1070
use of 'normal' to describe penile appearance after circumcision (*let*), June, p. 2440
cirrhosis
recognizing primary biliary cirrhosis and primary sclerosing cholangitis (*article*), January, p. 195
claudication
claudication: diagnosis and treatment (*article*), March, p. 1245
colposcopy
colposcopic examination (*article*), June, p. 2473
condylomata
cryosurgery and podophyllum in combination for condylomata (*let*), May 1, p. 1987
human papillomavirus infection: treatment options for warts (*article*), January, p. 135
confidentiality
preserving confidentiality in occupational medical practice (*article*), April, p. 1751
corneal abrasion
corneal abrasions: diagnosis and management (*article*), June, p. 2521
management of ocular emergencies and urgent eye problems (*article*), February 1, p. 565
corrections
chronic sinusitis (*article*), April, p. 1537
"Letter to the Editor," June, p. 2445
"Newsletter," May 15, p. 2287
perioperative management of the alcohol-dependent patient (*article*), June, p. 2445
cramps
use of quinine for leg cramps (*let*), May 15, p. 2284
cross-cultural medicine
treating patients from other cultures (*med soc*), May 1, p. 2004
cryosurgery
cryosurgery and podophyllum in combination for condylomata (*let*), May 1, p. 1987

D

dementia
behavioral management of patients with dementia (*let*), May 15, p. 2276
dentistry
preventive dentistry and the family physician (*article*), February 1, p. 619
depression
dysthymic disorder: the chronic depression (*article*), June, p. 2588
low-dose antidepressant therapy for mild depression (*let*), April, p. 1536
management of depression in patients with coexisting medical illness (*article*), May 1, p. 2125
dermatitis
immune response to *Pityrosporum orbiculare* and seborrheic dermatitis (*let*), May 15, p. 2278
dermatology
removal of facial brown spots (*let*), January, p. 106
dermatomyositis
cutaneous manifestations of selected rheumatologic diseases (*article*), April, p. 1625
diabetes mellitus
athlete with type I diabetes: managing insulin, diet and exercise (*article*), April, p. 1611
diagnosis and management of gestational diabetes (*article*), May 1, p. 2053
new guidelines on treating hypertension in diabetics (*ed*), May 1, p. 1982
prevention and care of diabetic foot ulcers (*article*), February 1, p. 601
diarrhea
evaluating the child with chronic diarrhea (*article*), February 1, p. 635
diet
athlete with type I diabetes: managing insulin, diet and exercise (*article*), April, p. 1611
difficult patients
cautious history-taking with potentially violent patients (*let*), May 1, p. 1987
domestic violence
domestic violence in men (*let*), April, p. 1522
SAFE questions: overcoming barriers to the detection of domestic violence (*article*), June, p. 2575
drug approvals
significant FDA approvals in 1995 (*FDA*), April, p. 1871
drug reactions
acute renal failure induced by intravenous immune globulin (*let*), February 15, p. 862
nifedipine-induced gingival hyperplasia (*let*), March, p. 1069
renal and electrolyte complications associated with antibiotic therapy (*article*), January, p. 227
dysfunctional uterine bleeding
treatment of menorrhagia due to dysfunctional uterine bleeding (*article*), January, p. 165
dysphagia
diagnostic imaging in the evaluation of dysphagia (*article*), February 1, p. 535
gastrointestinal motility disorders (*article*), February 15, p. 895
dysthymic disorder
dysthymic disorder: the chronic depression (*article*), June, p. 2588

E

ear
initial management of auricular trauma (*article*), May 15, p. 2339

Ebola
HIV, Ebola virus and public health measures (*let*), May 15, p. 2283

elbow
common elbow fractures in children (*article*), May 1, p. 2031

elderly
blood pressure readings in the elderly: seated or standing? (*let*), May 15, p. 2282
urinary tract infections in elderly women (*article*), January, p. 175

electrolytes
renal and electrolyte complications associated with antibiotic therapy (*article*), January, p. 227

electroconvulsive therapy
electroconvulsive therapy: a guide for family physicians (*article*), January, p. 273

embolism
approach to diagnostic imaging of suspected pulmonary embolism (*article*), March, p. 1259
chiropractic manipulation and atherosclerotic emboli to the eye (*let*), January, p. 88

endocarditis
endocarditis in injection drug users (*article*), May 1, p. 2045

endometrium
transvaginal ultrasonography and endometrial thickness (*let*), May 15, p. 2282

enteral nutrition
optimizing enteral nutrition (*article*), June, p. 2535

esophagogastroduodenoscopy
American Academy of Family Physicians releases a procedural skills paper on EGD by family physicians (*med rep*), March, p. 1429

euthanasia
death with dignity dilemma (*let*), February 1, p. 495

exercise
athlete with type I diabetes: managing insulin, diet and exercise (*article*), April, p. 1611
counseling for healthy lifestyles: exercise prescription (*ed*), February 1, p. 484
exercise-induced hematuria (*article*), February 15, p. 905
prescribing exercise for health: a simple framework for primary care (*article*), February 1, p. 379

eye
chiropractic manipulation and atherosclerotic emboli to the eye (*let*), February 1, p. 88
corneal abrasions: diagnosis and management (*article*), June, p. 2521
critical look at ocular allergy drugs (*article*), June, p. 2637
management of ocular emergencies and urgent eye problems (*article*), February 1, p. 565

F

family practice
encouraging interest in family practice: a state chapter initiative (*let*), May 1, p. 1994
family medicine faculty recruitment crisis of the '90s (*ed*), April, p. 1514
family physician workforce reform: AAFP recommendations (*med soc*), January, p. 65
planning the family physician workforce (*ed*), January, p. 57

fibromyalgia
fibromyalgia: misdiagnosed, mistreated and misunderstood (*let*), January, p. 91
fibromyalgia syndrome: a review (*article*), April, p. 1698

fluoride
AAFP position paper: fluoridation of public water supplies (*med rep*), May 15, p. 2373
preventive dentistry and the family physician (*article*), February 1, p. 619

foot ulcer
prevention and care of diabetic foot ulcers (*article*), February 1, p. 601

foreskin
foreign body in the foreskin of a former gulag prisoner (*let*), February 15, p. 865

G

gabapentin
postpoliomyelitis pain treated with gabapentin (*let*), June, p. 2442

gamekeeper's thumb
gamekeeper's thumb: ulnar collateral ligament injury (*article*), April, p. 1775

gastroesophageal reflux
gastrointestinal motility disorders (*article*), February 15, p. 895
proton pump inhibitors: new drugs and indications (*article*), January, p. 285

gastrointestinal surgery
new applications of laparoscopy in gastrointestinal surgery (*article*), January, p. 237

genetic testing
clinical applications of genetic testing: implications for the family physician (*article*), May 1, p. 2077
genetic testing: are family physicians ready? (*ed*), May 1, p. 1976

giardiasis
intestinal protozoa (*article*), June, p. 2507

gingival hyperplasia
nifedipine-induced gingival hyperplasia (*let*), March, p. 1069

growth retardation
identification and assessment of the slowly growing child (*article*), May 15, p. 2305

gynecologic care
gynecologic care (*ed*), March, p. 1041

H

halitosis
halitosis (*article*), March, p. 1215

heartburn
gastrointestinal motility disorders (*article*), February 15, p. 895

heart
ACC/AHA collaborate on guidelines for the evaluation and management of heart failure (*med rep*), May 1, p. 2196
hypertension and heart disease: how much is enough? (*ed*), May 15, p. 2272

hematuria
exercise-induced hematuria (*article*), February 15, p. 905

hemochromatosis
hemochromatosis: diagnosis and management (*article*), June, p. 2623

hip
American College of Rheumatology issues management guidelines for arthritis of the hip and knee (*med rep*), February 15, p. 985

human immunodeficiency virus
HIV, Ebola virus and public health measures (*let*), May 15, p. 2283

human papillomavirus infection
human papillomavirus infection: treatment options for warts (*article*), January, p. 135

hypertension
angiotensin-II receptor antagonists: a new class of antihypertensive agents (*article*), February 1, p. 589
hypertension and heart disease: how much is enough? (*ed*), May 15, p. 2272
management of hypertension, part I (*article*), May 15, p. 2295
management of hypertension, part II (*article*), June, p. 2553
preeclampsia and hypertensive disorders of pregnancy (*article*), April, p. 1595
new guidelines on treating hypertension in diabetics (*ed*), May 1, p. 1982
where do the new agents fit in hypertension management? (*ed*), June, p. 2427
white coat hypertension: measures to improve diagnosis (*let*), March, p. 1079

I

immune globulin
acute renal failure induced by intravenous immune globulin (*let*), February 15, p. 862

immunization
AAFP, AAP and ACIP release new childhood immunization schedule (*med rep*), January, p. 395

breaking the barriers to childhood immunization (*article*), April, p. 1648
January-June 1996 childhood immunization schedule (*ed*), January, p. 53
varicella vaccine: rationale and indications for use (*article*), February 1, p. 647

impotence
evaluation and treatment of erectile dysfunction (*article*), May 1, p. 2101

in-line skating
in-line skating: play it safe (*ed*), June, p. 2430

infants
minimizing prescribing errors in infants and children (*article*), March, p. 1319
techniques for performing neonatal circumcision (*let*), January, p. 92
use of 'normal' to describe penile appearance after circumcision (*let*), June, p. 2440

ingrown toenail
successful technique for treating ingrown toenails (*let*), February 1,p. 499

insomnia
NIH releases statement on behavioral and relaxation approaches for chronic pain and insomnia (*med rep*), April, p. 1877

insulin
athlete with type I diabetes: managing insulin, diet and exercise (*article*), April, p. 1611

Internet
Internet as a resource for family physicians (*ed*), February 15, p. 850

intestinal protozoa
intestinal protozoa (*article*), June, p. 2507

irritable bowel syndrome
challenge of irritable bowel syndrome (*article*), March, p. 1229

J

K

kidney
autosomal dominant polycystic kidney disease (*article*), February 15, p. 925
polycystic kidney disease: guidelines for family physicians (*ed*), February 15, p. 847
renal and electrolyte complications associated with antibiotic therapy (*article*), January, p. 227

knee
American College of Rheumatology issues management guidelines for arthritis of the hip and knee (*med rep*), February 15, p. 985

L

labor
ACOG technical bulletin summarizes current approaches for induction of labor (*med rep*), April, p. 1886

laparoscopy
new applications of laparoscopy in gastrointestinal surgery (*article*), January, p. 237

leg cramps
use of quinine for leg cramps (*let*), May 15, p. 2284

liver
evaluating asymptomatic patients with abnormal liver function test results (*article*), May 1, p. 2111

lupus erythematosus
cutaneous manifestations of selected rheumatologic diseases (*article*), April, p. 1625

M

medication
choosing the best medications (*article*), June, p. 2565

meditation
simple form of meditation for use in clinical practice (*let*), June, p. 2440

menorrhagia
treatment of menorrhagia due to dysfunctional uterine bleeding (*article*), January, p. 165

middle lobe syndrome
middle lobe syndrome (*article*), June, p. 2547

N

necrotizing fasciitis
necrotizing fasciitis (*article*), April, p. 1691

nifedipine
nifedipine-induced gingival hyperplasia (*let*), March, p. 1069

nutrition
optimizing enteral nutrition (*article*), June, p. 2535

O

occupational medicine
preserving confidentiality in occupational medical practice (*article*), April, p. 1751

odynophagia
gastrointestinal motility disorders (*article*), February 15, p. 895

P

Papanicoloau smear
ASCUS and LSIL Pap smear results: triage considerations (*ed*), March, p. 1057
minimally abnormal Papanicolaou smear (*article*), March, p. 1154
minimally abnormal Pap smear: a conservative approach (*ed*), March, p. 1042

Parkinson's disease
treatment options for early Parkinson's disease (*article*), March, p. 1281

patient information
improving patient education for patients with low literacy skills (*article*), January, p. 205

patient information handouts
all about claudication (*pt info*), March, p. 1255
childhood immunizations (*pt info*), April, p. 1661
domestic violence: protecting yourself and your children (*pt info*), June, p. 2582
dysthymic disorder: when depression lingers (*pt info*), June, p. 2595
earaches in children: a painful problem for many children (*pt info*), March, p. 1209
electroconvulsive therapy for severe depression (*pt info*), January, p. 281
evaluating and treating impotence (*pt info*), May 1, p. 2107
exercise and diabetes (*pt info*), April, p. 1621
exercise program for fibromylagia (*pt info*), April, p. 1709
facts about preeclampsia (*pt info*), April, p. 1607
foot care for the patient with diabetes mellitus (*pt info*), February 1, p. 615
gestational diabetes: what it means for me and my baby (*pt info*), May 1, p. 2061
giardiasis (*pt info*), June, p. 2517
having a colposcopy (*pt info*), June, p. 2487
hemochromatosis: when your blood has too much iron (*pt info*), June, p. 2631
how to give your child the right dose of medicine (*pt info*), March, p. 1329
how to help your sinus problems (*pt info*), February 15, p. 891
how to protect yourself from a stroke (*pt info*), February 1, p. 559
if your child has scoliosis (*pt info*), May 15, p. 2335
irritable bowel syndrome: what it is and what to do about it (*pt info*), March, p. 1241
polycystic kidney disease (*pt info*), February 15, p. 935
preventing ankle sprains (*pt info*), June, p. 2501
preventing injuries to your abdomen during pregnancy (*pt info*), March, p. 1275
recovering from alcohol or drug abuse: your doctor can help you (*pt info*), April, p. 1675
safe scuba diving (*pt info*), April, p. 1771
taking care of bad breath (*pt info*), March, p. 1224
taking the mystery out of back pain (*pt info*), February 1, p. 683
treating allergic conjunctivitis (*pt info*), June, p. 2645
treatment of active tuberculosis (*pt info*), April, p. 1590
treatment of tuberculosis infection (*pt info*), April, p. 1589
understanding Parkinson's disease (*pt info*), March, p. 1291

vaccine for chickenpox (*pt info*), February 1, p. 654
what you need to know about PID (*pt info*), March, p. 1140
what parents can do to change their child's behavior (*pt info*), January, p. 267
what to do about a corneal abrasion (*pt info*), June, p. 2532
what to do about benign paroxysmal positional vertigo (*pt info*), June, p. 2621
what to do about warts (*pt info*), January, p. 148
when your Pap smear is slightly abnormal (*pt info*), March, p. 1165
your child's teeth—a guide for parents (*pt info*), February 1, p. 631
your skin and the sun (*pt info*), April, p. 1723

pelvic inflammatory disease
pelvic inflammatory disease: a contemporary approach (*article*), March, p. 1127

physician-patient relationship
preserving confidentiality in occupational medical practice (*article*), April, p. 1751

Pityrosporum orbiculare
immune response to *Pityrosporum orbiculare* and seborrheic dermatitis (*let*), May 15, p. 2278

plantar fasciitis
plantar fasciitis, posterior night splints and activity during recovery (*let*), May 1, p. 1993

podophyllum
cryosurgery and podophyllum in combination for condylomata (*let*), May 1, p. 1987

polycystic kidney disease
autosomal dominant polycystic kidney disease (*article*), February 15, p. 925
polycystic kidney disease: guidelines for family physicians (*ed*), February 15, p. 847

polysplenia syndrome
group A streptococcal infection and polysplenia syndrome (*let*), March, p. 1075

postpoliomyelitis syndrome
postpoliomyelitis pain treated with gabapentin (*let*), June, p. 2442

preeclampsia
preeclampsia and hypertensive disorders of pregnancy (*article*), April, p. 1595

pregnancy
abdominal trauma in the pregnant patient (*article*), March, p. 1269
ACOG technical bulletin summarizes current approaches for induction of labor (*med rep*), April, p. 1886
diagnosis and management of gestational diabetes (*article*), May 1, p. 2053
issues associated with prenatal testing for fetal abnormalities (*let*), June, p. 2435
preeclampsia and hypertensive disorders of pregnancy (*article*), April, p. 1595
thyroid disease during pregnancy (*article*), January, p. 215

prenatal testing
issues associated with prenatal testing for fetal abnormalities (*let*), June, p. 2435

prescription errors
minimizing prescribing errors in infants and children (*article*), March, p. 1319

proton pump inhibitors
proton pump inhibitors: new drugs and indications (*article*), January, p. 285

prostate
American Urological Association releases guidelines for the management of localized prostate cancer (*med rep*), June, p. 2751

prostate-specific antigen
management of BPH: educating patients about PSA (*let*), March, p. 1080

psychiatric evaluation
American Psychiatric Association releases guidelines on the psychiatric evaluation of adults (*med rep*), May 1, p. 2195

publishing
'moving target syndrome' in publication endeavors (*let*), April, p. 1521

pulmonary embolism
approach to diagnostic imaging of suspected pulmonary embolism (*article*), March, p. 1259

Q

quinine
use of quinine for leg cramps (*let*), May 15, p. 2284

R

race
relevance of race or ethnic group in case reports (*let*), April, p. 1530

renal failure
acute renal failure induced by intravenous immune globulin (*let*), February 15, p. 862

rheumatologic diseases
cutaneous manifestations of selected rheumatologic diseases (*article*), April, p. 1625

S

scleroderma
cutaneous manifestations of selected rheumatologic diseases (*article*), April, p. 1625

scoliosis
adolescent idiopathic scoliosis: an update (*article*), May 15, p. 2327
family physician's role in adolescent idiopathic scoliosis (*ed*), May 15, p. 2268

scrotal pain
diagnostic imaging of patients with acute scrotal pain (*article*), April, p. 1734

scuba diving
recreational scuba diving injuries (*article*), April, p. 1761

sexually transmitted disease
STDs and the American Social Health Association (*let*), March, p. 1085

shoulder
shoulder pain: the role of diagnostic injections (*article*), April, p. 1637

sinusitis
chronic sinusitis (*article*), February 15, p. 877

sleep apnea
sleep apnea: are you missing the diagnosis? (*ed*), January, p. 50
sleep apnea: is your patient at risk (*article*), January, p. 247

smoking
AAFP recommends seven action steps for family physicians in the battle against tobacco (*med rep*), February 1, p. 776
smoking cessation: information for specialists (*article*), June, p. 2599

somatoform disorder
telling patients about their somatoform disorders (*let*), February 15, p. 865

splints
plantar fasciitis, posterior night splints and activity during recovery (*let*), May 1, p. 1993

stenosis
carotid artery stenosis (*ed*), February 1, p. 486
prevention of stroke caused by carotid bifurcation stenosis (*article*), February 1, p. 549

streptococcus
group A streptococcal infection and polysplenia syndrome (*let*), March, p. 1075

stroke
prevention of stroke caused by carotid bifurcation stenosis (*article*), February 1, p. 549

substance abuse
American Psychiatric Association issues guidelines on treatment of substance use disorders (*med rep*), April, p. 1880
chemically dependent patients in recovery: roles for the family physician (*article*), April, p. 1667
endocarditis in injection drug users (*article*), May 1, p. 2045

sunscreen
sunscreens: the ounce of prevention (*article*), April, p. 1713

T

thrombocytopenia
efficient diagnosis of thrombocytopenia (*article*), February 15, p. 915

thyroid
thyroid disease during pregnancy (*article*), January, p. 215

tobacco
AAFP recommends seven action steps for family physicians in the battle against tobacco (*med rep*), February 1, p. 776
smoking cessation: information for specialists (*article*), June, p. 2599
tobacco use and dental caries (*let*), April, p. 1536

toenail
successful technique for treating ingrown toenails (*let*), February 1, p. 499

tuberculosis
CDC issues recommendations for screening for tuberculosis in high-risk populations (*med rep*), March, p. 1433
outpatient management of tuberculosis (*article*), April, p. 1579
paying heed to the treatment of tuberculosis (*ed*), April, p. 1511
tuberculous infection and disease in children (*article*), May 1, p. 2087

U

ulnar collateral ligament
gamekeeper's thumb: ulnar collateral ligament injury (*article*), April, p. 1775

ultrasound
AAFP issues position paper on diagnostic obstetrics-gynecology ultrasonography by family physicians (*med rep*), June, p. 2749
transvaginal ultrasonography and endometrial thickness (*let*), May 15, p. 2282
transvaginal ultrasonography in nonpregnant and postmenopausal women (*article*), May 1, p. 2065

urinary tract infection
urinary tract infections in elderly women (*article*), January, p. 175

V

vaginal delivery
ACOG releases practice guidelines on vaginal delivery after previous cesarean birth (*med rep*), February 1, p. 775
cost of vaginal delivery vs. repeat cesarean section (*let*), May 15, p. 2284

vancomycin
recommendations issued for preventing the spread of vancomycin resistance (*med rep*), January, p. 392

varicella
varicella vaccine: rationale and indications for use (*article*), February 1, p. 647

VBAC
ACOG releases practice guidelines on vaginal delivery after previous cesarean birth (*med rep*), February 1, p. 775

vertigo
benign paroxysmal positional vertigo: the canalith repositioning procedure (*article*), June, p. 2613

violence
cautious history-taking with potentially violent patients (*let*), May 1, 1987
domestic violence in men (*let*), April, p. 1522
SAFE questions: overcoming barriers to the detection of domestic violence (*article*), June, p. 2575

vulva
differentiating normal and abnormal findings of the vulva (*article*), March, p. 1171

W

warts
cryosurgery and podophyllum in combination for condylomata (*let*), May 1, p. 1987
human papillomavirus infection: treatment options for warts (*article*), January, p. 135
